# DEFINITION (WIKIPEDIA)

- ◉ a **generalized perception** of first impressions,
- ◉ **judging with the eyes**/criticising ones outer appearance,
- ◉ a conventional and **oversimplified conception**, opinion, or image,
- ◉ forms of **social consensus** rather than individual judgments.

# STEREOTYPING IS ALWAYS BAD...

- ◉ What's your opinion?

“EVEN IF THERE IS A KERNEL OF TRUTH IN THE STEREOTYPE, YOU'RE STILL APPLYING A GENERALIZATION ABOUT A GROUP TO AN INDIVIDUAL, WHICH IS ALWAYS INCORRECT”

## Belonging

“WE TEND TO SEE  
MEMBERS OF OUR OWN  
GROUP AS INDIVIDUALS,  
WE VIEW THOSE IN OUT-  
GROUPS AS AN  
UNDIFFERENTIATED—  
STEREOTYPED—MASS”

## CONSCIOUS VS UNCONSCIOUS BIAS

“even those of us who believe that we don't stereotype, do”

FOCUS QUESTION: DIFFERENCE  
IS ALWAYS GOOD. AGREE OR  
DISAGREE?

Life would be boring if all was the same

Learn about different cultures.

Express yourself

Tolerance is a good quality to have.

Because it separates everyone apart, and makes them an ~~individual~~ individual.

We would all get along well because who wouldn't want someone like yourself - LA

If there are differences between cultures, there will usually think badly of each other, as what we did yesterday with the Chispa's and Pandya thinking for the first. We

~~There are differences between cultures~~  
~~and they always be conflict~~

## ARGUMENTS AGAINST

People who are different will cause others to separate and form gangs.

stereotypes?

~~Conflict~~

\* What evidence can you use to support these arguments from - classes?

- your trail? - Huddle  
- multi. Intelligence skills workshop.

~~You have a broader view of different topics if many people from different cultures have different opinions on a certain thing.~~  
~~WP MS~~

It can cause controversy due to conflicting beliefs of different groups.
